• **7. Refunds Policy**

The policy of Gold-Jobs.com is to refund the money paid for an Advert, only if the service paid for cannot be delivered by us within at least 28 days from requesting and paying for it. The Site will however endeavour to place your Advert at the next available opportunity, and it is up to the customer to request a Refund, if this is not an acceptable solution. (This does not affect your statutory rights in any way). If a refund is granted, then the Site will only refund the money that has been paid for the Advert, less any time that the Advert has already successfully been placed for. It is the customer's responsibility to request a refund in writing, or via an email from the same source which requested and paid for the Advert in the first place. If this does not happen, Gold-Jobs.com will try to place the Advert at the next available opportunity. The customer has 30 days from placing and paying for the Advert to request a refund. No refunds will be allowed in cases where the Advert is simply no longer required, ie, where the customer eg pays for a 6 month Advert, and then later decides that he only wants it up for 3 months. In this situation, the Site will not refund the money paid, and the said Advert will be placed for the duration initially paid for by the Customer.
